In an effort to provide better customer service to our residents, as of January 1, 2011, if you are applying for a permit for a fence, shed, patio, deck, sidewalk, driveway expansion, gazebo, swimming pool, new garage, addition to your home, etc., the Community Development Department is requiring that residents and/or contractors submit one copy of a Plat of Survey which should be signed and sealed by an Illinois Registered Land Surveyor.

The Plat of Survey should include the following basic information:

- the location and size of all existing and proposed improvements
- easements, setbacks and other known restrictions on the property

If you do not have a Plat of Survey, the following is a partial list of Registered Land Surveyors you can contact and purchase one. The following list does not constitute a recommendation by the City of Elgin.
